About the Scribe Clinic:

Have you been scribing for years or never scribed before? Then this clinic is for you! Learn how to scribe with the new scoring system. Kathryn (Kat) Kyle, a USEF 'r' dressage judge will teach you the do's and don'ts of scribing and you will actually practice scribing several tests. **Bring a clipboard (if you have one), black or blue pen AND a red pen.**

About the Show Prep 101:

Have you made the show secretary's naughty list? Or are you new to Dressage and not sure how to fill out the entry form or what associations you need to join? **Karen Peacock**, a seasoned show secretary, is going to answer all your questions so you can turn in a perfect entry!

Next **Kassidy Peacock**, an FEI Young Rider, will discuss and demo proper show attire, tack and equipment and changes to the bit rule.

BONUS!!!! Attendees have a chance of winning a free stall at the USEF/USDF recognized ADA Fall Competition. Participants who attend the clinic, and have a perfect entry form for the April 7th & 8th, 2012 Spring Dressage USEF/USDF Competition, will be eligible for a drawing (to take place at lunch break on Sunday, April 8) for a free stall (including 2 bags of shavings) at the September 8th & 9th, 2012 competition.

Please RSVP for these events by February 20th to ADA Education Chair, Carolyn Vandenberg, vandenberg@gvtc.com or 210-215-2423.
